PLEASE NOTE:

We recognize ACW pricing is slightly higher than other hosting sites in the region and that's because we offer unique and personalized Reverse Mission Trips and Retreats for each group we host. We do not use a cookie-cutter approach to our programming, willing to work with you to provide an experience tailored to your group's needs and desires. Plus, yours will be the only group on the premises unless you agree to share space with another one, a rare request. We think this individualized attention and personal space for a more intimate experience for your group is worth our time, your money, and ultimately, is for the dignity and benefit of our local community.

- We do not host service groups for less than the cost of 8 (eight) participants. If you bring fewer than 8, you will still be charged for 8.
- 10 (ten) is the optimal number for small group discussions and work projects.
- 12 (twelve) people can fit at our dining room table and in our bedrooms albeit a bit tight. Special arrangements can be made for 14 (absolute max), but will be cramped.
- We do not host service groups for fewer than 2 nights.
- There is quite a bit of traveling among worksites that has not been figured into your remaining balance. Be sure to calculate into your trip budget the cost of gas and, if needed, rented vehicles and tolls.

CANCELLATIONS:

*The existence of our **entire ministry** is dependent upon the funds we receive from visitors like you. We live "paycheck to paycheck" and have to spend (or give money away) when we get it. Please make every effort to avoid a cancellation.*

GROUP DITCH:

- *Reimbursements are only given if WE cancel.*
- NO REFUND if you cancel after we receive your **registration fee**.
- NO REFUND if you cancel after we receive your **remaining balance**.
- If you cancel less than a month before your invoiced arrival date without having sent in your remaining balance, full payment will be required in advance when you register for future trips.

PARTICIPANTS BAIL or JUMP ON:

*We understand that the number of your participants may fluctuate up and down even until the day you arrive. However, **you are responsible for the amount listed on your remaining balance invoice plus funding for any additional participants**. If you arrive with fewer participants, we cannot reimburse you. Payment for additional participants should be submitted by the group's leader upon arrival.*
